Notes to the table:

1. There is no discount in the 2012/2013 year for Dog Owner Licence holders.
2. Dogs less than three months of age and imported dogs registered for the first time on or after 2 August pay a portion of the annual fee based on the number of complete months remaining in the registration year. All other dogs registered for the first time on or after 2 August pay the fee listed under 'If paid after 1 August'.
3. To qualify, you must hold a current Dog Owner Licence prior to making your application and send council a valid veterinary certificate as proof your dog has been de-sexed prior to or with your application. You only need to send the certificate once.
4. To qualify, you must send the council a valid veterinary certificate as proof your dog has been de-sexed prior to or with your application. You only need to send the certificate once.
5. To qualify, you must present your current Super Card and Community Services Card to the council. You need only present the cards once.
6. The term 'special category dog' applies to dogs used for or by disability assist, Police, Department of State, Aviation Security Service, Civil Defence, or Biosecurity Act 1993 as defined in section 2 of the Dog Control Act 1996 under the term Working Dog. It does not apply to dogs used for herding or driving stock or by security guards.
7. To qualify, the owner must sign a declaration and if requested demonstrate the dog's ability to herd or drive stock to the satisfaction of council.
